About IRCTC

The Indian Railway Catering and Tourism Corporation Limited (IRCTC), is a public sector enterprise under the Ministry of Railways which provides a wide range of Catering, hospitality, travel & tourism services. Its vision is "to become the leading provider of high quality Travel, Tourism & Hospitality related services in the country".

Buddhism in India

Buddhism, one of world's great religions, traces back to the life of Siddharth when a curious wandering prince from the small Shakya Kingdom located at the foothills of the Himalayas in Nepal, began his quest for the ultimate truth to solve the mystery of existence. He renounced his royal pleasures and meditated beneath the sacred Bodhi tree at Gaya for years before he attained spiritual enlightenment. Then, as the Buddha, or the enlightened one, he spent the remainder of his life spreading the knowledge of The True Self in the Indian sub-continent.
