#### SLTPB promotes Ramayana Trail in India

The Sri Lanka Tourism Promotion Bureau, in association with Sri Lankan Airlines, organised a road show in Bengaluru, India on 08 July 2015 for promoting Ramayana Trail. This development came against the backdrop of the announcement by Hon'ble Prime Minister of India Shri Narendra Modi, during his visit to Sri Lanka in March 2015 that both countries will co-operate in developing a Ramayana trail in Sri Lanka and a Buddhist circuit in India.

The Sri Lanka Tourism Promotions Bureau jointly launched the Ramayana Trail event with top 26 operators in the Indian market, 19 key sites Sri Lanka across from Ramboda, Nuwara Eliya, Ella, Galle, Chilaw and Mannar were showcased to be part of the Ramayana trail. As part of promoting Ramayana Trail in India Sri Lanka Tourism would conduct four road shows in 2015.

#### Lanka IOC to invest Rs 400m on more outlets

Local media reported that Lanka IOC planned on investing SLRs. 400 million by adding another 20 fuel stations to its current network, while also completing refurbishments of the existing fuel outlets. The company also planned to export lubricants to Indonesia and Malaysia.

Lanka IOC has a network of 183 fuel stations at present and the company plans to extend its bunkering operations to Trincomalee and Hambantota, in addition to Colombo.

## India participates in "Pro Food Pro Pack and Agbiz 2015"

Pro Food, Pro Pack and Agbiz 2015 organised by the Sri Lanka Food Processors Association (SLFPA) and Lanka Exhibition and Conference Services Pvt. Ltd at the BMICH, Colombo from 7-9 August 2015. Like in the previous years, India was a partner country in 'Pro Food Pro Pack 2015' also. Indian companies participated under the banner of Agricultural and Processed Food Products Export Development Authority (APEDA). H.E. Y.K. Sinha, High Commissioner of India inaugurated the APEDA Pavilion.

The number of Indian companies participating in the exhibition has grown over the years. This year, about **19 Indian companies** participated in the exhibition. The Indian companies showcased a wide range of agro and food products, bakery & kitchen equipment, hotel equipment, packaging equipment & machinery, ready-to-eat snack foods, pulps, fruit juices, health foods, curry paste and chocolates, organic spices etc. The exhibition provided an ideal opportunity for the food processing & packaging companies from India to partner with Sri Lankan companies to work together.

### Introduction

Road transportation has gradually increased over the years with the improvement in connectivity between cities, towns and villages in the country. In India sales of automobiles and movement of freight by roads is growing at a rapid rate. Cognizant of the need to create an adequate road network to cater to the increased traffic and movement of goods, Government of India has set earmarked 20 per cent of the investment of US\$ 1 trillion reserved for infrastructure during the 12th Five-Year Plan (2012–17) to develop the country's roads.

### Market Size

The value of roads and bridges infrastructure in India is projected to grow at a compound annual growth rate (CAGR) of 17.4 per cent over FY12–17. The country's roads and bridges infrastructure, which was valued at US\$ 6.9 billion in 2009 is expected to touch US\$ 19.2 billion by 2017. The financial outlay for road transport and highways grew at a CAGR of 19.4 per cent in the period FY09–14. The plan outlay for 2015–16 stepped up budgetary support for Road Transport and Highways to INRs 42,912 crore (US\$ 6.47 billion).

### Key Investments/ Developments

- ◆ The government announced highway projects worth US\$ 93 billion, including the NHDP with an investment of US\$ 45 billion over the next three years.
- ◆ The Ministry of Road Transport and Highways has undertaken development of about 7,000 km of national highways under Bharatmala Pariyojana at an estimated cost of INRs 80,000 crore (US\$ 12 billion) in consultation with state governments. National Highways Authority of India (NHAI) has invited bids for preparing Detailed Project Reports (DPRs) for road development along the borders and coast lines under the Bharat Mala project.
- ◆ The Cabinet Committee on Economic Affairs (CCEA) has permitted 100 per cent equity divestment by private developers after two years of construction completion for all Build–Operate–Transfer (BOT) projects, irrespective of the year of award of the project.
- ◆ The Union government approved the construction of around 1,000 km of expressways at a cost of INRs 16.68 crore (US\$ 2.5 million) on a design-build-finance-operate-transfer (DBFOT) mode. The approved corridors are Delhi-Chandigarh (249 km), Bengaluru-Chennai (334 km), Delhi-Jaipur (261 km) and Vadodara-Mumbai (400 km). The government will also take up the development of 135 km long Eastern Peripheral Expressway at an estimated cost of INRs 5,763 crore (US\$ 868 million).
- ◆ The Ministry of Road Transports and Highways plans to award 273 road projects covering a length of around 12,900 km at an estimated cost of INRs 1,26,700 crore (US\$ 19 billion) in FY 2015–16.
- ◆ Chhattisgarh is planning to invest INRs 9,500 crore (US\$ 1.43 billion) to upgrade 44 roads in the state.

### **Government Initiatives**

The Government has unveiled investments plans totalling INRs 10 trillion (US\$ 150.7 billion) in highways and shipping sector by 2019. India's Prime Minister, Hon. Narendra Modi has outlined a broad vision for new modes of infrastructure development in India, which includes nationwide connectivity networks of roads, gas grids, water grids and power transmission lines.

With the objective of reviving private investment in the roads sector, the Ministry of Roads and Highways is now working on two more models for attracting capital. One model proposes allowing bidding of a road project on the basis of the least present value, and the other envisages selling off road projects that have been built using government funds.

The Minister of State for Road Transport and Highways, Hon. Pon Radhakrishnan has informed that the Government has launched major initiatives to upgrade and strengthen 54,478 kms of National Highways (NH) in the country. The Ministry for Road Transport and Highways showcased revival of 34 projects worth more than Rs 26,000 crore (US\$ 3.9 billion) in its latest presentation on infrastructure targets to Prime Minister Hon. Narendra Modi, saying the projects spanning over 4,084 km are being restructured or converted from public-private partnership to engineering, procurement and construction (EPC) mode to get them going. Of these, five projects have been handed over to the state governments concerned while another 18 will be awarded in EPC mode. The Indian government plans to set up a finance corporation with an amount of INRs 1 trillion (US\$ 15 billion), in collaboration with Japanese investors, to fund projects in the roads segment.

### **Road Ahead**

The government, through a series of initiatives, is working on policies to attract significant investor interest. The Indian government plans to develop a total of 66,117 km of roads under different programmes such as National Highways Development Project (NHDP), Special Accelerated Road Development Programme in North East (SARDP-NE) and Left Wing Extremism (LWE), and has set an objective of building 30 km of road a day from 2016.

## Introduction

India is set to emerge as the world's fastest-growing major economy by 2015 ahead of China, as per the recent report by The World Bank. India's Gross Domestic Product (GDP) is expected to grow at 7.5 per cent in 2015, as per the report. The improvement in India's economic fundamentals has accelerated in the year 2015 with the combined impact of strong government reforms, RBI's inflation focus supported by benign global commodity prices.

## Market size

According IMF World Economic Outlook April, 2015, India ranks seventh globally in terms of GDP at current prices and is expected to grow at 7.5 per cent in 2016. India's economy has witnessed a significant economic growth in the recent past, growing by 7.3 per cent in 2015 as against 6.9 per cent in 2014. The size of the Indian economy is estimated to be at INRs 129.57 trillion (US\$ 2.01 trillion) for the year 2014 compared to INRs 118.23 trillion (US\$ 1.84 trillion) in 2013.

The steps taken by the government in recent times have shown positive results as India's gross domestic product (GDP) at factor cost at constant (2011-12) prices 2014-15 is INRs 106.4 trillion (US\$ 1.596 trillion), as against INRs 99.21 trillion (US\$ 1.488 trillion) in 2013-14, registering a growth rate of 7.3 per cent. The economic activities which witnessed significant growth were 'financing, insurance, real estate and business services' at 11.5 per cent and 'trade, hotels, transport, communication services' at 10.7 per cent. Stating that its great time to invest in India, Minister of State for Finance Mr Jayant Sinha said the Indian economy has potential to become a US\$ 4-5 trillion economy in the next 10-12 years.

## Investments/ developments

With the improvement in the economic scenario, there have been various investments leading to increased M&A activity. Some of them are as follows: India has emerged as one of the strongest performers with respect to deals across the world in terms of mergers and acquisitions (M&A). M&A activity increased in 2014 with deals worth US\$ 38.1 billion being concluded, compared to US\$ 28.2 billion in 2013 and US\$ 35.4 billion in 2012. The total transaction value for the month of May 2015 was US\$ 3.3 billion involving a total of 115 transactions. In the M&A space, pharma continues to be the dominant sector amounting to 23 per cent of the total transaction value.

- ◆ India's Index of Industrial Production (IIP) grew by 4.1 per cent in April 2015 compared to 2.5 per cent in March 2015. The growth was largely due to the boost in manufacturing growth, which was 5.1 per cent in April compared to 2.8 per cent in the previous month.
- ◆ India's Consumer Price Index (CPI) inflation rate increased to 5.01 per cent in May 2015 compared to 4.87 per cent in the previous month. On the other hand, the Wholesale Price Index (WPI) inflation rate remained negative at 2.36 per cent for the seventh consecutive month in May 2015 as against negative 2.65 per cent in the previous month, led by low crude oil prices.
- ◆ India's consumer confidence continues to remain highest globally for the fourth quarter in a row, riding on positive economic environment and lower inflation. According to Nielsen's findings, India's consumer confidence score in the first quarter of 2015 increased by one point from the previous quarter (Q4 of 2014). With a score of 130 in the first quarter (2015), India's consumer confidence score is up by nine points from the corresponding period of the previous year (Q1 of 2014) when it stood at 121.
- ◆ India's current account deficit reduced sharply to US\$ 1.3 billion (0.2 per cent of GDP) in the fourth quarter of 2015 compared to US\$ 8.3 billion (1.6 per cent of GDP) in the previous quarter, indicating a shrink in the current account deficit by 84.3 per cent quarter-on-quarter basis.
- ◆ India's foreign exchange reserve stood at a record high of US\$ 354.28 billion in the week up to June 12, 2015 – indicating an increase of US\$ 1.57 billion compared to previous week.
- ◆ Owing to increased investor confidence, net Foreign Direct Investment (FDI) inflows touched a record high of US\$ 34.9 billion in 2015 compared to US\$ 21.6 billion in the previous fiscal year, according to a Nomura report. The report indicated that the net FDI inflows reached to 1.7 per cent of the GDP in 2015 from 1.1 per cent in the previous fiscal year.

## Government Initiatives

Numerous foreign companies are setting up their facilities in India on account of various government initiatives like Make in India and Digital India. Mr Narendra Modi, Prime Minister of India, has launched the Make in India initiative with an aim to boost the manufacturing sector of Indian economy. This initiative is expected to increase the purchasing power of an average Indian consumer, which would further boost demand, and hence spur development, in addition to benefiting investors. Besides, the Government has also come up with Digital India initiative, which focuses on three core components: creation of digital infrastructure, delivering services digitally and to increase the digital literacy.

Currently, the manufacturing sector in India contributes over 15 per cent of the GDP. The Government of India, under the Make in India initiative, is trying to give boost to the contribution made by the manufacturing sector and aims to take it up to 25 per cent of the GDP.

Based on the recommendations of the Foreign Investment Promotion Board (FIPB), the Government of India has approved 10 proposals of FDI amounting to Rs 2,857.83 crore (US\$ 445.21 million) approximately. Out of the 10 approved proposals, six belonged to the pharmaceutical sector with a total value of Rs 1,415 crore (US\$ 221.05 million) excluding the outflows.

The Union Cabinet, chaired by the Prime Minister Mr Narendra Modi, has given its approval to enter into a Memorandum of Understanding (MoU) for strengthening cooperation in the field of Micro, Small and Medium Enterprises (MSMEs), between India and Sweden. The purpose of the MoU is to achieve and promote cooperation between MSMEs of the two countries by providing a structured framework and creating an environment to identify each other's technologies, strengths, markets, policies, etc.

The Government of India has launched an initiative to create 100 smart cities as well as Atal Mission for Rejuvenation and Urban Transformation (AMRUT) for 500 cities with an outlay of Rs 48,000 crore (US\$ 7.47 billion) and Rs 50,000 crore (US\$ 7.78 billion) crore respectively. Smart cities are satellite towns of larger cities which will consist of modern infrastructure and will be digitally connected. The program was formally launched on June 25, 2015. The Phase I for Smart City Kochi (SCK) is set to launch in July 2015 which will be built on a total area of 650,000 sq. ft., having a floor space greater than 100,000 sq. ft. Besides, it will also generate a total of 6,000 direct jobs in the IT sector.

## Road Ahead

The International Monetary Fund (IMF) and the Moody's Investors Service have forecasted that India will witness a GDP growth rate of 7.5 per cent in 2016, due to improved investor confidence, lower food prices and better policy reforms. Besides, according to mid-year update of United Nations World Economic Situation and Prospects, India is expected to grow at 7.6 per cent in 2015 and at 7.7 per cent in 2016. As per the latest Global Economic Prospects (GEP) report by World Bank, India is leading The World Bank's growth chart for major economies. The Bank believes India to become the fastest growing major economy by 2015, growing at 7.5 per cent. According to Mr Jayant Sinha, Minister of State for Finance, Indian economy would continue to grow at 7 to 9 per cent and would double in size to US\$ 4–5 trillion in a decade, becoming the third largest economy in absolute terms. Furthermore, initiatives like Make in India and Digital India will play a vital role in the driving the Indian economy.
