

CALL FOR RESEARCH PROPOSALS

High Commission of India
Colombo

Proposals for a research study on specific economic sphere as elaborated below are invited by the High Commission of India in Colombo:

The research study's area of focus should be: "Overview of existing regulation in health and pharmaceutical sector in the context of international partnerships and the potential for cooperation between India and Sri Lanka in this field".

The time limit for the completion of research study should not exceed three weeks from the date of issuance of approval by the High Commission of India, to the selected entity.

The High Commission reserves the right to reject any proposal at any stage and to suitably modify the aforementioned area of the study for making it more meaningful. While making the proposal, a brief background the proposer may kindly be given. Extant Government of India norms will apply in the selection process.

The proposals may be addressed to: Dr. Rakesh Pandey, First Secretary & Head of Economic Wing of the Mission (Email: com.colombo@mea.gov.in) and copied to the office of the Deputy High Commissioner (Email: dhc.colombo@mea.gov.in)

Last date for submission of proposal: 25 February 2021.
